

2024 School Fees

School fees for the year are set at a family rate and are used to cover the day to day running of the school. An account for school fees will be sent out at the commencement of each Term.

A secondary Fee (Curriculum Levy & Camp, Sports, Excursion Levy) is charged per pupil depending on Grade level. This money covers most other school expenses for the child including stationary, sports, camps, excursion, gym programs, laptops, etc.

The preferred method for payment of School Fees is via **DIRECT DEBIT**. However, payments may be made at the school office at your convenience throughout the year by **CREDIT CARD OR CASH** or you may pay directly into the school account by **EFT**, should Direct Debit not be a viable option for your family.

It is proven that DIRECT DEBIT is the most efficient way to manage your school fees. Please find attached a DIRECT DEBIT REQUEST form.
