

## Student Non-Attendance

### The Hazard - Student Non-Attendance

Student non-attendance is the absence from Holy Rosary School of a school aged student, without the consent of parents/guardians, during Holy Rosary School hours.

Common reasons for student non-attendance include boredom at Holy Rosary School, embarrassment and frustration at poor performance, fear of bullying or harassment, drug dependency, family stress or conflict, homelessness and defiance of authority.

Student non-attendance can compound the problems of students who are already behind in class as a result of behavioural, emotional or learning difficulties. They gradually fall further behind in their studies and jeopardise their chances of completing their education.

This increases the risk of students dropping out of Holy Rosary School, becoming involved in delinquency and criminal activity and ultimately, reducing their adult employment prospects.

### Enrolment & Attendance Policies

In line with our legal obligations, Holy Rosary has developed detailed policies and procedures to manage our obligations relating to Enrolment and Attendance of Students. Refer to our [Student Enrolment Policy](#) and [Student Attendance Policy](#).

This policy has been developed specifically to manage issues relating to student non-attendance.

### Holy Rosary's Policy

Holy Rosary is committed to the management of regular Holy Rosary School attendance and providing a safe and positive learning environment which promotes engagement and participation.

It is our policy that:

- All unauthorised absences from Holy Rosary School are unacceptable;
- High expectations of attendance will be made known to all students;
- Processes for unexplained student absences are implemented to reduce absenteeism and ensure the safety of students;
- Student- Non-Attendance prevention strategies are developed and implemented with the Holy Rosary School community considering the needs of students; and
- Early intervention strategies and family support programs will be provided.

### Management of Non-Attendance - Immediate

School absenteeism is monitored closely to identify students who are failing to attend school as required.

To avoid suspicion, parents/guardians are required to contact the Holy Rosary School prior to Holy Rosary School commencement time to explain their child's absence, late arrival or request for early leave.

All teachers are required to take a roll call in every class. Any student absences are recorded by the class teacher.

Where a student is absent, Holy Rosary School, office administration reviews absentee notifications to identify any students that are absent where no notification of absence has been received from a parent/guardian.

Where a student is absent without explanation and cannot be located by 9:30am, parents/guardians are forwarded a text message to their mobile phones in the following terms:

*\*Holy Rosary records indicate that your child [insert name] is absent from Holy Rosary School without explanation. Please contact us as a matter of urgency.\**

If the student's parents/guardians do not contact the Holy Rosary School within one hour of sending the text message, attempts will be made to call the parents/guardians and confirm the location of the student.

### **Management of Non-Attendance - Parental Notifications**

Where parents repeatedly fail to notify the Holy Rosary School of legitimate absences, the Holy Rosary School will write a letter to parents requesting that they comply with the Holy Rosary School's notification procedures.

In cases of serious non-compliance, the Holy Rosary School may request that the parents/guardians attend a meeting with the Principal to discuss the importance of parental notifications in ensuring the safety of all students.

### **Persistent Non-Attendance**

All students found to be consistently failing to attend school as required, will be subject to the consequences as outlined in the [Discipline – Student Policy](#).

Where absences are recurrent the Holy Rosary School will investigate the student's absences having regard to factors such as the day of the week, the class, subject or year level and particular social group that may affect their attendance.

Parents/guardians will be contacted to discuss issues which may be related to student's non-attendance. Where appropriate, Holy Rosary School will work with the parents/guardians and the student to develop an Attendance Improvement Plan.

### **Whole School Approach- Strategies to Reduce Student Absence and Lateness**

Holy Rosary adopts a number of prevention strategies that are in line with the Victorian Government's Every Day Counts Program. The following table provides strategies proven by schools to reduce student absence and lateness. Holy Rosary adopts the strategies that are appropriate for Holy Rosary School's environment.

## Every Day Counts - Strategies proven by schools to reduce student absence and lateness

Culture	Information	Monitoring	Rewards/Incentives	Other Targeted Activities
Creating an environment where children want to be at school and demand to be on time.	Informing parents about current research that links attendance with student achievement levels and reporting absence rates through the school newsletter and comparing them with state norms.	Ensuring parents are called on the day by the principal, business manager, Koorie Educator or classroom teacher to check on the wellbeing of absent students.	Providing a term award, for example a sausage sizzle or extra sports activity, for all students who have attended every day.	Introducing a walking school bus.
Showing concern for students who are absent – ask them where they were and supply work missed.	Providing information to parents on the sequential nature of lessons and learning and how their child's learning can be severely disrupted if they miss crucial learning points.	Insisting on explanatory notes to explain all absences.	Presenting weekly 'class on-time' awards at assembly.	Offering a breakfast program, which provides an organised start to the day for many students and also engages parents who stay on for a tea/coffee.
Creating a school culture that views being punctual to school as important.	Providing regular flyers with current research on the importance of being at school and on time every day.	Using late and absence data to identify and target students.	Providing a special excursion once a year for the top 20 per cent of attendees for the year.	Arranging special interest lunchtime activities each day to target students with high absence rates.
Linking student attendance to individual teachers for appraisal and review.	Making presentations at information evenings for prospective Prep parents to ensure they clearly understand the importance of being at school and on time every day.	Acting in response to observed trends, for example if it has been identified that absences are high on Fridays, scheduling special events for this day of the week.	Introducing attendance prizes each term, for example basketballs, footballs and tennis racquets, for 100 per cent attendance for the term and a smaller prize (cinema ticket) for 90 per cent or greater attendance.	Implementing an Early Morning Fitness Club for targeted students from 8:40 am –8:55 am. Maintaining records of student attendance at the fitness club and hosting a pancake breakfast reward for high EMFC attendance.
Promoting to parents that the school has the welfare capacity to care for students while at school.	Weekly profiling of attendance with a regular reminder in the school newsletter that attendance is not optional but compulsory.	Following up ongoing lateness.	Issuing raffle tickets to students with good attendance. At the end of each week, the raffle for a showbag is drawn.	Working closely with families and support agencies when families are suffering hardships or are in crisis to ensure that students are at school in an environment that has order and routine
Ensuring that all classrooms are motivating and stimulating and (for Koorie students) have high interest areas that will appeal in particular to Koorie children.	Making announcements at weekly assemblies about the need to be on time at school every day.	Continuing to phone parents of high-absence students for each absence.	Organising a friendly competition between rooms or sections of the school based on attendance for the term, for example having a free BBQ sausage sizzle lunch for the 'winning' group.	
The Principal and assistant principal undertaking yard duty every day to provide a consistent approach to dealing with playground problems.	Emphasising compulsory school attendance requirements and that Monday-Friday during term are school days, not days that students may go to school.	Standing at the front gate and handing out late passes to parents.	Introducing attendance prizes each month (certificates and some fun stationery) that are awarded for full attendance.	

	Letting parents know that some school activities, such as working in groups, are rendered ineffective by the absence of one or more group members.	Writing to all parents at the end of each term informing them how many days their child has been away.	Sending reminders to students at the end of each school day about the exciting things they can expect to happen at school the following day.	
	Publishing attendance and 'late' figures as well as targets in the school newsletter.	Sending home 'pink slips' for unexplained absences.		
	Emphasising that teachers plan sequential lessons, which can be severely disrupted by regular non-attendance.
