

NEWSLETTER No . 37 : 26th November, 2015

Dear Parents,

Sunday, 29 Nov 2015: First Sunday of Advent : Beginning Advent

The season of Advent begins this week and continues through the four Sundays of Advent and ends at Christmas Eve. The first week of Advent focuses on the return of the Lord and the following weeks focus more specifically on the anticipation of the birth of Jesus. Rather than simply commemorating an historical event, Advent is a time of preparing our hearts to 'receive' Jesus into the world each year. Advent is traditionally marked by the colour of violet – the same colour as used in Lent. In recent years, some parishes have moved to a more blue/mauve colour for Advent to try to distinguish it from the season of Lent.

Peace and Best Wishes

CLASS PLACEMENTS : 2016

Our staff is working on class lists for 2016. There are many factors to consider in this process. Teachers spend many hours to ensure your child is placed in the best learning environment possible. The process will be completed shortly and notified to the children on our Orientation Day on Tuesday, 1st December.

END OF YEAR MASS AND AWARDS NIGHT

Our awards night will be included in our End of Year Mass. This will be held on Wednesday, 9th December at 6.30pm at the Church. On the night, our major awards will be presented and we will also have a chance to farewell our Grade 6 graduates.

The mass will be followed by a cuppa in the O'Dee and a tribute to the Grade 6 graduates.

The last day of term for students is Wednesday, 16th December. Finishing time is 3.15pm

ORIENTATION DAY TUESDAY, 1ST DECEMBER

On this day, students will be in their class and with their teacher for 2016.

Students will assemble as normal in this year's class from 8:45am-9:00am. They will then move at 9:00am to their new classroom for 2016. Children will stay in their 2016 class until 1:30pm.

On Orientation Day, our new Principal, Paul Dullard will be visiting the school. A cuppa will be set up in the O'Dee from 9.00am for new and existing families to meet Paul.

**Making Jesus Real (MJR)
Winners and Grinners**

MJR leads us to be 'winners and grinners' rather than 'moaners and groaners', to look for positives in each day, and to make sure we let others know how much we appreciate them in our lives, and how to pass on the Good News each day.

CHILDREN'S CHATTER MATTERS

In each weekly newsletter this year, our school's Speech Pathologist provides some "family friendly", fun oral language tasks aimed to enhance learning and literacy skills.

Have a box of different items collected from around the house e.g. items found from the playroom, the kitchen, the bathroom and or the bedroom. An object is picked out of the box and is named, the next person must supply another word that is related to it. The game continues until a player get stuck and cannot think of another word. Ask your child to justify how the word are related also – the relationship between the word may not be immediately obvious until they explain it.e.g. Pig – Sheep – Cow (all farm animals) – flamingo, galah (all pink)

Please come along.**

PERMISSION SLIPS

**Would the Grade 5/6 students please return
their permission slips for next
Monday and Wednesday**

As the school year comes to an end, there is so much planning underway for the year ahead. The Uniform shop has had a changing of the guard as Natt Craig steps back to take a much earned break. As the incoming Uniform Shop Representative, I would like to sincerely thank Natt for all her hard work and dedication to this role over the past few years.

Natt has played a key role in sourcing the best value for money uniforms for us all, and has kept options available for us to keep our kids in uniform. Thank you Natt, we appreciate it very much.

As this year draws to an end, we are ordering stock now to ensure the students are set to go come 2016. We are currently awaiting the arrival of size 6 and 8 summer dresses, but have plenty of most everything else in stock, so please come in and see me Monday after assembly to get your child's/children's uniforms organized. At this rate, it will be here before you know it.

School Dress	\$17 (size 6/8 on back order)	Sports Skorts	\$14
Summer polo	\$17	Grey Shorts	\$14
Sports Shorts	\$14	School Bag	\$40
Hat	\$12	Art Smock	\$10

Order forms are also available at the office.

Attached is part of the Royal Life Saving National Drowning Report, and is available from: http://www.royallifesaving.com.au/_data/assets/pdf_file/0006/14559/RLS_NDR2015_Report_LR.pdf which highlights the importance of swimming and water safety education for all Australian kids.

Swimming skills, particularly among children are fundamental to every individual's safety and overall motor skill development. As a sport, swimming caters for all people of all ages and abilities.

Learning to swim has many benefits for our children. It is great for their health and well being, it enhances their self-esteem and, importantly, teaches them a respect for water. As we approach Summer, it is important that we prepare our children through swimming and water safety.

The swimming program is an important part of the curriculum at Holy Rosary and includes not only swimming lessons, but also water safety. We ask that as parents you support our program by ensuring that your child participates in the swimming program, which will run from Monday 30th November to Friday 11 December.

Each day the Foundation to Grade 2's will attend the pool from 1:00pm to 2:00pm. Grade 3 to 6 will attend from 2:00pm to 3:00pm.

The Carnival Day will be held on Friday 11th, where the children will be participating in a number of swimming events throughout the afternoon. The carnival will begin at 1:00pm and conclude at about 3:15pm, when students will be dismissed from the pool. It is hoped that as many families are able to join us for this event. Again, it is expected that ALL children will participate.

On swimming days we ask that students have adequate food and drink as well as hat, bathers, towel, and any other items (such as goggles) clearly labeled so as to avoid loss.

Please note, upon enrollment your child/ren have been granted permission to undertake our program. This included medical information. If any of these medical details have changed, please advise the front office as soon as possible.

If anyone is able to assist at any time during the swimming program, could they please see Noel or Brent.

Thanks
Mr. A.

Smart - remember your hats!

Our Holy Rosary Sun Smart Policy notes that all children will be required to wear school

hats during Terms 1 and 4 whenever they are outside for protection.

Sunsmart activities and sun protection will form part of the Health and Physical Education curriculum at all year levels.

Parents will be encouraged to model Sunsmart behaviour when participating in school functions that are held outdoors.

When the UV Index is 3 and above:

1. Slip on sun-protective clothing
2. Slop on SPF30+, broad spectrum, water resistant sunscreen - put it on 20 minutes before you go outdoors and every two hours afterwards
3. Slap on a hat - that protects your face, head, neck and ears
4. Seek shade
5. Slide on some sunglasses - make sure they meet Australian Standards.

From September to April, just a few minutes of UV exposure to the face, arms and hands or equivalent area of skin should be enough for most people to maintain vitamin D levels. However people with naturally very dark skin may need 3 to 6 times the exposure level. For the times of the day that sun protection is needed, check the SunSmart UV Alert in the weather section of daily newspapers or at www.sunsmart.com.au. During the day live UV levels for Melbourne can be found at www.arpana.gov.au. Particular care should be taken between 10.00am and 2.00pm (11.00am and 3.00pm daylight saving time) when UV Index levels reach their peak.

STUDENT ABSENCES

Please contact the school by 10.00am if your child is not attending school for the day. On returning to school, students must bring a signed, written note explaining their absence and give it to their classroom teacher. Notification can also be made via the school phone app.

LIFE STAGE IN FOCUS: CHILDREN AGED 0-14 YEARS

CHILDREN AGED 0-4 YEARS

There were 26 children between the ages of 0 and 4 years who drowned in Australia between 1 July 2014 and 30 June 2015. This is an increase of 6 drowning deaths (or 30%) on last year's total of 20 drowning deaths. It is however a reduction of 4 deaths (or 13%) on the 10 year average of 30 drowning deaths (Figure 22).

Males accounted for 58% of drowning deaths in children under five in 2014/15. Swimming pools were the leading location for drowning in this age group, accounting for over half (54%), almost three times that of the next most common location. The category of lake / dam / lagoon was the only location to record an increase against the 10 year average (Figure 23).

Falls into water accounted for the vast majority of drowning deaths in this age group (81%). This was followed by bathing which claimed the lives of three children in 2014/15.

Drowning deaths in children under five increase by 30% on last year

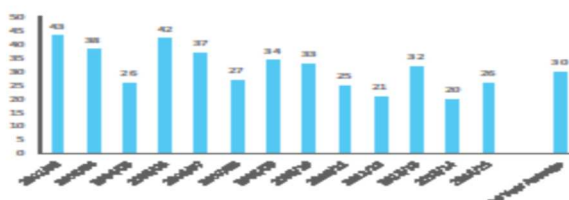

Figure 22: Drowning Deaths of Children 0-4 Years, 2002/03 to 2014/15, 10 Year Average

Thirteen percent decrease in drowning deaths in Swimming Pools in 2014/15

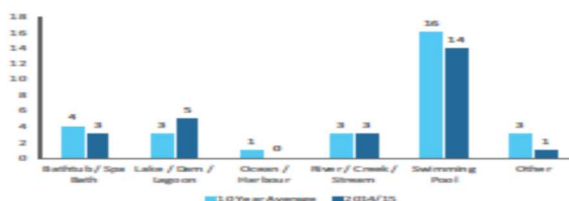

Figure 23: Drowning Deaths of Children 0-4 Years by Location, 10 Year Average, 2014/15

CASE STUDY: ACTIVE SUPERVISION

Active adult supervision is essential in protecting your child from drowning. In all cases of drowning in children under five, supervision was either intermittent or lacking altogether. Active supervision means that a child is being constantly watched by an adult who is within arms' reach at all times. All of your attention should be on the child and you should never leave a child alone, or in the care of an older child, when they are in, on, or around the water.

The key elements of Active Supervision are:

Be Prepared, Be Within Arms' Reach, All of Your Attention, and All of the Time.

Supervision is one of four key strategies to prevent child drowning that are promoted by Royal Life Saving's Keep Watch program. The other actions are restricting access to water, water awareness and resuscitation.
