

**NEWSLETTER No . 13 12th May, 2016****Pentecost**

This Sunday is Pentecost which marks the end of the season of Easter. It will be 50 days since the resurrection of Jesus. At Pentecost, the Holy Spirit came and filled the followers of Jesus with the gifts of wisdom, understanding, right judgement, courage, knowledge, reverence and wonder. These gifts empower and enable us to give witness to Jesus Christ. The colour of Pentecost is red. Our Parish will celebrate Pentecost on Sunday at the 9:30am Mass and we will celebrate as a school at Monday's assembly.

COME, HOLY SPIRIT,

FILL THE HEARTS OF YOUR FAITHFUL

AND KINDLE IN THEM THE FIRE OF YOUR LOVE

SEND FORTH YOUR SPIRIT AND THEY SHALL BE CREATED

AND YOU SHALL RENEW THE FACE OF THE EARTH

LET US PRAY:

O GOD, WHO INSTRUCTED THE HEARTS OF THE FAITHFUL BY THE LIGHT OF THE HOLY SPIRIT,

GRANT US IN THE SAME SPIRIT TO BE TRULY WISE AND EVER REJOICING IN HIS CONSOLATION.

THROUGH CHRIST, OUR LORD

AMEN.

Dear Parents,

'It takes a village to raise a child' African Proverb

Last Friday our school community and our mothers were well celebrated at the Mother's Day Luncheon. This day is a very important day for Heathcote as it enables friends to come together to share in fellowship, and for our students and teachers to perform while at the same time allowing our very hard working and energetic Parents and Friends committee to work as a team to raise important funds for our school.

But most importantly, it is a day to celebrate our Mothers, Grandmothers and Great Grandmothers. Our school is a vibrant place when we look at those who care for the children we have enrolled. Generational support from sisters, parents, Grandparents and Great Grandparents is a quality of our school. I take my hat off to those who work so hard to ensure that each of our students is cared for, nurtured and safe.

Our parent community is one that looks out for each other and is very respectful of each others needs. I see this when a child or parent is in need and others come to their assistance. This really builds a healthy community.

Such support must be constructive and hope filled for each person. The ability to see a situation and see the good in it is where, as a community, we should aim to be. We can then overcome any issues through the positivity that such a proactive attitude can bring.

I am heartened by how the staff at Holy Rosary is supported by parents. There are times when phone calls are made or interviews arranged where important conversations are had and I have to say that parents have been very appreciative of how our staff have been so active in communicating between school and home.

To have our parent community 'shoulder to shoulder' with the teachers will ensure a successful experience for the children in our care.

NAPLAN: Our Grade 3 and 5 children this week participated in the NAPLAN testing. This data is only one part of the assessment that informs our teaching here at Holy Rosary. Our staff collect information about your child consistently throughout the year and use this to plan for each individual.

UNIFORM: It is tremendous to see so many of our Holy Rosary children in their full Winter uniform. Fiona Bradshaw will have the uniform shop open for business on Friday mornings between 8.45am - 9.15am if you require any items. Please ensure all items are named as our lost property basket is beginning to fill.

Yours sincerely,

Paul Dullard
Principal

ANZAC DAY

We have received a letter of thanks from Mr. John McClure, Secretary of the Heathcote RSL congratulating the students who rose to the challenge of reading sections of ANZAC Requiem this year at the Monday holiday service. The Sub-Branch Committee recognizes the challenge to school students in reading aloud into a microphone clearly and steadily in front of a large number of people at this annual occasion.

CHILDREN'S CHATTER MATTERS

Children's Chatter Matters!

Play a game of Odd one Out with your child.

Say three things and have your child tell you which word is the odd word out e.g. boat, ship, house – house. An extension of this is to ask the students why it doesn't belong.

Holy Rosary School Heathcote

You are invited to join present and past colleagues, school children, parishioners and friends of

Mrs Joan Short

as she completes 38 years of dedicated service to Holy Rosary School, Heathcote.

On Monday 23rd May, we will celebrate Mass at 9.30am
at St Mary's Help of Christian's Church - 61 Ebden St, Heathcote

The Mass will be followed by a morning tea at
Holy Rosary School, O'Dee Centre.

Come along to celebrate the Eucharist with us and join the community for a cuppa afterwards.
A fitting celebration for a life of dedication to the vocation of education.

For those who are unable to make the Mass and Morning Tea, there will be an assembly at the school
at 2.30pm on the afternoon of Monday 23rd May when presentations will be made to Mrs Short.

All are welcome to attend.

SCHOOL CANTEEN

STARTS 20TH MAY

Lunch orders to be handed in by Wednesday,

Volunteers are required for this program.

On behalf of the Parents & Friends committee, We would like to thank the families of Holy Rosary and the wider community for showing support in our fundraising ventures over the last 18 months.

Because of the support we have recieved we are proud to advise that we have funded the purchase of 2 marquees that will be used in conjunction with the school BBQ trailer to promote our wonderful school at community events.

We also have new outdoor tables and chairs that we plan to order for the use in the school grounds and play areas. This is a much needed upgrade for the school and is only possible because of the suport you have shown.

Thank you and we look forward to your continued support.

Oral Health Screening at your School

Community Dental Services at Bendigo Health is sending a team to your school to conduct Oral Health screening for students.

The screening team is made up of a fully qualified Oral Health Therapist, who works for Bendigo Health, and a fully qualified Dental Assistant. All members of the team have "Working with Children" checks.

We will be providing this service free of charge.

Why are we doing Oral Health Screens?

We will be looking for any signs of tooth decay or gum disease.

Up to half of kids can have tooth decay and gum disease. It can develop without any pain. If we catch tooth decay and gum disease early, we can avoid losing teeth.

What will happen in the Oral Health Screen?

During the screen visit, your child will sit in a chair, and the Oral Health clinician will look in their mouth with a sterile mouth mirror and light.

They will be looking for any signs of tooth decay or gum disease.

It will take about 5 minutes. We hope it will be a bright and cheerful experience for all children.

We will send a brief report home with each child, telling parents what we have found. The report is completely confidential, and the details will be kept at Bendigo Health.

If further treatment is needed, it is available free of charge for eligible children, at Bendigo Health.

The oral health screening visit does not replace a full examination at a dental surgery, but it is a good way to check for any early signs of dental disease.

Fluoride treatment for teeth at risk

Fluoride varnish is used for teeth at risk of tooth decay. The varnish is applied using a brush and painted onto teeth of concern. The procedure takes approximately 2 minutes. If you do not wish for your child to receive this treatment please indicate on the allocated section of the consent form.

Consent forms will be available to have your child seen
